

Operating Income

In an effort to show just how important your membership contribution is... we'd like to share the main sources of our operating income. Our expenses total just over \$250,000 each year. We couldn't keep the Plaza open without YOU!

Capital Improvements

In addition to our normal operating expenses we're also faced with significant structural and facility improvement needs. Our board is working with the City of Eatonton and applying for special grants to help fund these restoration projects. But we need your help too. Every dollar you contribute is greatly appreciated. If you are interested in adding a gift to The Plaza in your will, please contact us.

Our Mission

The Plaza was established in 2008 to cultivate artistic opportunities; bringing artists, arts organizations and the community together to enhance the quality of life in Eatonton, Putnam County and the greater Lake Area of middle Georgia. Our mission is to promote interest and participation in the visual and performing arts by providing programs and facilities for community and regional involvement, education, and enjoyment.

SUPPORT The ARTS

Connecting the Community through the Arts

Many people only know The Plaza as a theater that hosts occasional stage performances and outdoor concerts, but we also provide experiential learning and a variety of opportunities for community enrichment and involvement.

Much more than just a Theater!

- Plaza Alliance for the Performing Arts (PAPA) is our community theater group which hosts auditions for local talent to perform in 3+ plays/musicals each year.
- The Plaza Community Center provides a free After School Arts Program for K-8th grade.
- Two annual summer camps - Camp Broadway, which focuses on stage performances, and Art Camp.
- Free 6-week Video Production & Editing Class.
- Free Old School History Museum and lectures.
- Georgia Ensemble Theater performs four curriculum-based stage productions for area schools each year.
- Performance venue for community groups like OPAS, the Reynolds Chorus, PCSS, LOA, & Gatewood.
- Internship program teaches high school students lighting, sound, set design, and stage production.
- Annual Photography and Fine Arts contest and show featuring local photographers and artists.
- Stitches & Stories weekly meetings and fellowship.
- Rental venue for weddings, parties, special events, community groups, churches, and other organizations.
